**Publisher:** San Fernando Valley Patriots

**Editor:** Karen Kenney. **Contributors:** Duane "Bucky" Buckley (DB), Megan/Neuro7plastic (MN), Aspen Pittman (AP), Tom Adams (TA), Kyle Kyllan (KK), Maryanne3935 (MA3935) and Nancy Bonus (NB).

This "Liberty Pole" is one of hundreds erected in America as a symbol of the colonials' resistance to British tyranny. The poles were often 100' tall serving as places to meet or post political news. The Sons of Liberty erected the first one on May 21, 1766 in Boston. Historical records indicate these poles existed across America, especially in MA, PA, NJ, NY and GA.

When is a 'Brotherhood' Not a Terrorist Group? Ask Obama.

*Editor's note: In late February 2016, the 114th Congress made another step in its legislative process to have the Secretary of State declare the Muslim Brotherhood a terrorist organization. HR 3982 is in the 'mark-up' phase in the Judiciary Committee. Here's a history on the recent bill, which the ranking Democrat' immediately opposed. Lastly, is the version Rep. Michele Bachmann (HR 5194) tried to pass in the 113th Congress. The bills are practically twins. We think this designation is long overdue; place your bets.*
