This "Liberty Pole" is one of hundreds erected in America as a symbol of the colonials' resistance to British tyranny. The poles were often 100' tall serving as places to meet or post political news. The Sons of Liberty erected the first one on May 21, 1766 in Boston. Historical records indicate these poles existed across America, especially in MA, PA, NJ, NY and GA.

The Corruption Chronicles:

Editor's Note: Welcome to our intermittent feature on the impact of government failures and 'red tape.'

2016 "Pig Book" Roasts Pork-Barrel Spending: Citizens Against Government Waste annual expose highlights Big Government's big spenders. We suggest 2 cups of coffee, an aspirin and adding your Congressional Representative's phone contact to your speed dial.
