This "Liberty Pole" is one of hundreds erected in America as a place to post political news and as a symbol of the colonials' resistance to British tyranny. Historical records indicated these poles existed across America, especially in MA, PA, NJ, NY and George. The Sons of

Liberty erected the first on May 21, 1776.

***Editor's Note: With Korea, Venezuela and White Supremacist violence in the USA, this special edition targets 3 key movements that undermine our nation and Liberty.***
